

NZGA Winter Seminar 2019
Millennium Hotel, Taupo
July 11, 2019

Innovation and the Future of Geothermal in a Low Carbon World

Tentative Schedule

Time	Topics	Speaker
09:30	Karakia and Housekeeping	Anya Seward, NZGA Secretary
09:35	Welcome from the NZGA and update on NZGA Activities	Stephen Daysh, President NZGA
09:45	Icelandic Geothermal Market Innovation	Fida Abu Libdeh, GeoSilica, Iceland
10:30	NZ's Transition to a Low Carbon Economy- The Big Picture	Andrew Caseley, EECA
11:15	Morning Tea	Anya Seward
11:45	Emissions from geothermal energy and Contact's decarbonization strategy	Genelle Palmer, Contact Energy
12:10	Step-change collaborations for low carbon production efficiencies'	Emily Collis, Western Energy
12:35	The Rogue Bore- Geothermal Beer	Chloe Walker, The Rogue Bore
13:00	NZGA Contribution Awards Followed by Lunch	Katherine Luketina, NZGA
13:10	Lunch	Anya Seward
14:00	Improving geothermal power generation efficiencies through minerals extraction	John Lea, GEO40
14:25	The Journey Towards Decarbonisation of the Dairy Industry and How Geothermal May Fit the Need	Tony Oosten, Fonterra
14:50	An Iwi Perspective on Innovation, Growth, and Investment in the Geothermal Sector	Brad Tatere, Koau Partners
15:15	Afternoon Tea	Anya Seward
15:45	Panel Discussion & Questions	Anya / Speakers
16:30	Closing Remarks	Paul Siratovich, Vice President NZGA
16:30	END	Anya Seward
