

TRUST VISION
Kia mau ki te whenua
Whakamahia te whenua
Hei painga mo nga uri whakatipuranga

TAUHARA NORTH

Our Why

*"Kia mau ki te whenua,
Whakamahia te whenua,
hei painga mo nga uri
whakatipuranga."*

Trust Vision

Our History

KO TAHUMATUA TE TUPUNA ARIKI

Our history tells us that Tahumatua arrived in 1250AD and settled at Orakei Korako.

His people lived in peace and had undisturbed occupation of his tribal lands until colonisation. The Ngaawapurua Kainga stood at Tauhara North and was one of the many kainga that feed Tahumatua and his descendants.

Brief History

1869

Native Land Court
Aware of Tauhara
North to the people of
Ngāti Tahu.

Agribusiness

Our kaupapa – a balanced view of the world

Environmental impact

- De-carbonization, climate change
- Nitrogen, phosphorus levels
- Water use & allocation
- Over use of natural resources

The health of te taiao is a direct reflection on the health of our people.

Cultural impact

- Our people
- Our way of life
- Our connection to land and resource

Social Impact

- Community responsibility
- Education, jobs, careers, lifestyles.

Economic impact

VALUES BASED PARTNERS

Opportunities

- **Matauranga Maori partnering with Western world**
- **Social enterprise structures focused on community**
- **Te Taiao first research and development**
- **De-carbonization**
- **Reservoir opportunities, heat, minerals etc. etc.**

A muri ake nei – our long term future

- The reservoir is our tupuna/tuakana
- Discover and utilize mātauranga about our reservoir
- Reconnect to the land and resources which we are kaitiaki
