WING
ROADMAP TO ICELAND 2020

WING aims to promote the education, professional development and advancement of women in the geothermal community.

THE FACTS

- 22% of parliamentary seats are held by women worldwide
- 78¢ The amount of money a woman is paid for every dollar a man is paid
- 61% of people surveyed think gender equality doesn't exist in the professional industry
- 8% of the world's wealthiest are women

WE NEED YOU

- 1500 WING Members
- 1 WING group in every geographical country
- 100% of Geothermal Associations to have a WING member on their board
- 50% male membership

START NOW

BE VISIBLE
Show the industry your face, let other WINGs see you, show us the awesome work you are doing!

GO FOR THE NO
Have your facts - use for that presentation, put your voice forward in meetings, stand for that bill. Don't stop till you have no!

LET WING BE YOUR SOUNDING BOARD
Tell us what you want and how we can help. Ask us technical questions, career advice - we're here to support you!

TRACK EVERYONE DOWN
Track age, co-workers, students, daughters to join, including this event. We need you all!

STEP UP
Get around board tables, and into positions of influence. We need your leadership and representation in the halls of power.

"Women are the biggest reservoir of untapped talent in the world."
Hillary Clinton
